

HOW TO READ THIS TABLE

Read the license number 100-1-1-00 as follows: the first set of numbers are the individual's specific number (100th to become licensed in the state of ND), and original license was granted 1-1-00. *IF* the date is followed by an additional set of numbers (100-1-1-00-**100**), that counselor advanced to the clinical, or LPCC, licensure. The date of the LPCC licensure is listed in a separate column. The two licenses are listed as LPCLPCC.

The "A" behind the year of licensure (100-1-1-00A) indicates "associate" or LAPC, and the "A" is removed when the LAPC advances to LPC.

The SCert# column indicates the counselors who are certified as supervisors in the state of ND. Expiration date is also noted.

Notice to Credential Verification Professionals: This website is considered a primary source for Board data - it is the same information the Board provides through other means, such as phone, fax or mail and is true and complete to the best of our knowledge.
